THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) and (b) The letter of intent and approvals of foreign collaboration have been given.

Gas based Thermal Plants by NFPC

117. SHRI PAWAN KUMAR BANSAL:

KUMARI SUSHILA TIRIA:

Will the Minister of ENERGY be *pleased to state:*

(a) whether it is a fact that the NTPC has undertaken to set up gas based thermal plants in the country; and

(b) if so, what are the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) and (b) The National Thermal Power Corporation are implementing three gas-based Combined Cycle power projects at Kawas in Gujart (600 MW), Auraiya in U.P. (600 MW) and Anta in Rajasthan (430 MW), at an estimated cost of Rs. 1,200 crores. The first gas turbine units of the projects are scheduled to be commissioned in 24 months from the dates of placement of orders for main plant and equipment and the remaining units at intervals of two months each thereafter. The first steam turbine units are scheduled for commissioning 36 months after placement of orders and the subsequent units at intervals of four months each thereafter.

Pending Power Projects of Punjab

118. SHRI PAWAN KUMAR BANSAL: Will the Minister of ENERGY be pleased to state:

(a) what are the details of the various propsals of Punjab State pending with the centre for augmentation of power supply in the State; and

(b) what action has been taken in respect of each of these proposals?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) The details of the power generation schemes of Punjab State pending approval are given in the enclosed statement (*See* below).

(b) Approval of projects for execution depends upon the comprehensiveness of the project reports, expeditious response of the project authorities to the various comments/observations of the Central Electricty Authority/Central Water Commission, availability of requisite clearances/inputs and the rlative priority accorded to the projects by the State Government in terms of allocation of funds. The State Government has to obtain the various clearances, reply to the various comments and arrange funds for these projects before these can be santioned.
